

# WATER RESCUE ROPE

## Dyneema® Lightweight Water Rescue Rope

Pelican's water rescue rope is an extremely light, no-stretch braid featuring Dyneema®, the highstrength, no-stretch fiber that meets the needs for coastal and river rescue applications. Constructed with a Dyneema® composite core and a multifilament polypropylene cover, this rope floats and has almost zero water retention.

100% Polypro • Light • Floats

Color: Bright Yellow with Blue Marker

Dyneema Strong • Extra Light • Floats

Color: Bright Yellow with Red Marker
